TOM 4

TOM 4

TOM 4 an entry level tilt-in-space postural stroller with a durable steel frame giving a more economic solution. The multi-position Seat Unit with its full range postural accessories along with the ability to carry equipment, the Tom 4 becomes reliable and durable companion for everyday use. The seat-unit offers growth on all 4 available sizes, is detachable, reversible and covered by fully detachable soft padded textile upholstery in fashionable design. Easy handling for transport is ensured by the fully foldable frame of the stroller even with the attached seat. The Tom 4 can be suitable for occupied transport in a vehicle too.
