**Novus**

# Novus

## Maximum seating comfort.

**Novus** by Ormesa is a **stroller for children and teens** with postural needs **available in three sizes**.

Equipped with a **folding aluminum frame**, it has been designed to ensure **maximum comfort** to the user: the seat is slightly tilted, while the cushion, padded and removable, is **highly breathable**. The **wheels are provided with drum brakes**; they can be easily removed with a snap-out system, to facilitate the transport.

Thanks to a wide range of components, Novus adapts to any needs.

Novus passed **CRASH TEST** according to **ANSI RESNA WC/19**

PRODUCT  
MARKED CE

NOVUS is a MEDICAL DEVICE that COMPLIES WITH THE SAFETY REQUIREMENTS defined with the REGULATION (EU) 2017/745

# Technical features and adjustments

## Foldable frame

made in aluminum. Painted with non-toxic epoxy powders.

## Removable upholstery

padded, ergonomic and fixed to the seat thanks to press-studs. It was designed to make the change of position of the side supports easier, and to fix or unfix the accessories without causing any trouble to the child while seated. It grows up with the frame.

CERTIFICATE  
MED annex A.1/3.19-20-21

## Backrest

adjustable in height and tilt.

## Legrest

adjustable in tilt.

## Flip-up footrest

adjustable in height.

## Removable wheels

removable, sliding on ball bearings.

Front wheels: 17,5 cm, swivel and puncture-proof.

Rear wheels: 30 cm, pneumatic with **independent drum brakes**.  
Puncture-proof rubber on request.
